In the event such approvals are not submitted by NRIs and OCBs, the Acquirer and/or PAC reserves its right to reject such Shares tendered in this Offer. Further, if holders of the Shares who are not persons resident in India had required any approvals (including from the RBI or the Foreign Investment Promotion Board) in respect of the Shares held by them, they will be required to submit the previous approvals that they would have obtained for holding the Shares, to tender the Shares held by them pursuant to this Offer, along with the other documents required to be tendered to accept this Offer. In the event such approvals are not submitted, the Acquirer and/or PAC reserves its right to reject such Shares tendered in this Offer. If the Shares are held under general permission of the RBI, the non-resident Shareholder should state that the Shares are held under general permission and clarify whether the Shares are held on repatriable basis or non repatriable basis.

3. In the event of regulatory approvals, if any, not being received in a timely manner or litigation leading to a stay on the Offer, or SEBI instructing that the Offer should not proceed, the Offer process may be delayed beyond the schedule indicated in this Letter of Offer. Consequently, the payment of consideration to the shareholders whose equity shares have been accepted in the Offer as well as the return of the equity shares not accepted by the Acquirers and PACs may be delayed. Shareholders should note that after the last date for withdrawal of acceptances under the Offer being March 16, 2015, Equity Shareholders who have lodged the Equity Shares will not be able to withdraw them even if the acceptance of Equity Shares under the Offer and dispatch of consideration gets delayed. The tendered Equity Shares and documents will be held by the Registrar, until such time as the process of acceptance of tenders and the payment of consideration is completed.

III. ABOUT THE OFFER

Background of the Offer

1. This Offer is being made under regulation 10 and 12 of SEBI (SAST) Regulations, 1997 by the Acquirers along with PACs to the Equity Shareholders of the Target Company for the purpose of substantial acquisition of shares and voting rights, accompanied with change in management and control of the Target Company.
2. IAL and GSPL are the acquirers within the meaning of regulation 2(1)(b) of the SEBI (SAST) Regulations, 1997. Mr. Salim Govani in his individual capacity, Foresight Enterprises, a registered partnership firm, and Foresight Holdings Private Limited are the persons acting in concert as defined in regulation (2)(1)(e) of the SEBI (SAST) Regulations, 1997. The PACs named herein shall be acquiring all the Equity Shares being tendered in the Offer. MSL is the target company as defined in regulation (2)(1)(o) of the SEBI (SAST) Regulations 1997.
3. Primus Retail Private Limited (“PRPL”) had entered into a Business Transfer Agreement on February 4, 2011 with MSL wherein PRPL had agreed to sell its apparel and accessories business under the brand names “Weekender”, “Weekender Kids” and “Toon world” (“Weekender Brands”) and certain brands of Walt Disney and Warner Bros (“Licensed Brands”) (hereinafter referred to as “Transferred Business”) to the Target Company as a slump sale for the consideration to be partly paid in cash by the Target Company and partly through issue of fresh shares of the Target Company. The Target Company had issued 61,42,857 fully paid equity shares of Rs. 10/- each at premium of Rs. 60/- per share i.e. 80.37% of the post issue share capital of MSL (considering the equity share capital of MSL as on February 4, 2011) to PRPL as a part consideration. In July 2012, PRPL had sold 10 Equity Shares. On October 8, 2012, Karnataka High Court issued a winding up order against PRPL. Subsequently, official liquidator has been appointed for completion of winding up of PRPL. The statement of affairs of the Managing Director of PRPL has been filed with the official liquidator and all books of accounts of PRPL have been delivered to the official liquidator. Currently, all the assets of PRPL, including the registered office, are in possession and control of the official liquidator. Hence, the BTA shall not be enforced upon. Further, due to the liquidation of PRPL, SEBI vide its order dated February 20, 2014 has exempted PRPL from being one of the Acquirers for the Open Offer. Thereafter, pursuant to the board meeting of MSL on October 17, 2014 61,42,847 fully paid equity shares of Rs. 10/- each issued by the Target Company to PRPL have been forfeited as the Target Company cannot enforce BTA and acquire the “Weekender” brand consequent to liquidation of PRPL.
4. IAL and GSPL have acquired 2,31,000 equity shares each from the open market, from the Promoters / promoter group of the Target Company, on February 4, 2011, jointly constituting 30.80% of the then paid up and voting capital of the Target Company at a price of Rs. 61.25/- per share, payable in cash, from the Promoters as detailed below:

Name of the Sellers	Address
K. Madhusudan Reddy	4/A, Monisha, St Andrews Road, Bandra west, Mumbai – 400050
K Sujatha Reddy	P-309/A, Road 22B, Jubilee Hills, Hyderabad – 500033
Piya Madhusudan Reddy	4/A, Monisha, St Andrews Road, Bandra west, Mumbai – 400050
Nav Bharat Carriers Pvt. Ltd.	6/A-2, Court Chambers, 35, New Marine Lines, Mumbai – 400020

5. Pursuant to the aforesaid BTA entered into between PRPL and Target Company & acquisition of shares through stock exchange by IAL and GSPL, provisions of regulation 10 read with regulation 12 of the SEBI (SAST) Regulations, 1997 have been attracted. 6. On October 31, 2011, Target Company had allotted 10,52,630 Equity Shares at Rs. 76/- per Equity Share to Foresight Holdings (on behalf of Foresight Enterprises), Dewsoft Overseas Private Limited and Acme Investment Consultants

Private Limited by way of preferential allotment. As Foresight Holdings (on behalf of Foresight Enterprises) acquired Equity Shares higher than the price in the Original Offer, the Offer Price has been increased to Rs. 76/- per Equity Share. Further, due to increase in paid-up equity capital due to the aforesaid preferential allotment, the Open Offer for number of Equity Shares has been increased from 6,89,700 Equity Shares to 13,47,594 Equity Shares (except the equity shareholding of existing promoter, the Acquirers, PRPL and the PACs).

145. According to the financials of MSL for the year ended March 31, 2014, there are no contingent liabilities as on that date.

146. Reasons for fall/rise in income and profit after tax of MSL:

- a. FY 2011-12: The total income decreased to Rs. 23.50 lakhs in FY 2011-12 from Rs. 37.30 lakhs in FY 2010-11 due to high volatility and negative returns witnessed in sale of shares. As a result, MSL incurred a loss of Rs. 12.87 lakhs in FY 2011-12 from a profit of Rs. 20.05 lakhs in FY 2010-11.
- b. FY 2012-13: The total income marginally increased to Rs. 26.38 lakhs in FY 2012-13 from Rs. 23.50 lakhs in FY 2011-12 due to gain on sale of shares. However, the loss increased to Rs. 63.30 lakhs in FY 2012-13 from Rs. 12.87 lakhs in FY 2011-12 due to increase in expenditure.
- c. FY 2013-14: The total income decreased to Rs. 9.37 lakhs in FY 2013-14 from Rs. 26.38 lakhs in FY 2012-13 due to lower sales of shares. The net loss has been reduced to Rs. 7.82 lakhs in FY 2013-14 as compared to a net loss of Rs. 63.30 lakhs in FY 2012-13, this is mainly due to lower purchases.

147. Significant Accounting Policies:

A) Basis of accounting:

The Financial Statements are prepared under the historical cost convention in accordance with the generally accepted accounting, on an accrual & going concern basis of accounting, in accordance with the generally accepted Accounting Principles, Accounting Standards notified under section 211(3C) of the Companies Act, 1956 and the relevant provisions thereof.

B) Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

C) Tangible Fixed Assets & Depreciation

Tangible Fixed Assets, if any, are stated at cost of acquisition net of accumulated depreciation. Cost comprises purchase price and directly attributable cost incurred for bringing the asset for its intended use.

Depreciation on fixed assets, if any, shall be provided as per Straight Line Method at the rates and in the manner specified in Schedule XIV of the Companies Act, 1956.

D) Revenue recognition:

The Revenue is recognized on accrual basis. However, the recognition of revenue is restricted to the extent it is probable or there is a certainty that the economic benefits will flow to the Company and the revenue can be reliably measured. The Revenue shall be accounted on the basis of prudence to the extent it is quantifiable.

Interest income is recognised on time proportionate taking into account the amount outstanding and the rate as applicable.

Dividend income is recognised when the right to receive dividend is established / or receipts, whichever is earlier.

E) Investments:

Investments, which are readily realizable and intended to be held for not more than 12 months from the date on which such investments are made, are classified as Current Investments. All other Investments are classified as Non-current investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Non-current Investments are carried at cost. However, provision in diminution in the value is made to recognize a decline, other than temporary, in the carrying value of each investment.

Profit or Loss on sale of investments is recorded at the time of transfer of title from the company and is determined as the amount of difference between the sale proceeds and the carrying value of investment as on that date.

F) Tax Expenses:

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

G) Retirement Benefits:

The provisions of the Provident fund Act 1952 and Payment of Gratuity Act, 1972 are not applicable to the company at present as number of employees does not exceed the statutory limits prescribed in the Act.

H) Events occurring after the balance sheet date:

Where material, events occurring after the balance sheet date are considered upto the date of approval of accounts by the Board of Directors.

I) Provisions:

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at the required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

J) Contingent Liabilities:

The company does not recognize a contingent liability but discloses its existence in the financial statements. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a

present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

X. OFFER PRICE

Justification of Offer Price:

152. The equity shares of the MSL are listed on the BSE.

Name of stock exchange	Total Shares traded during the 6 calendar months prior to the month in which PA was made (Taken Annualised)	Total no. of listed Shares	Annualized Trading turnover (in terms of % to total listed shares)
BSE	11,21,710	15,00,000	74.78%

Based on information available on the website of BSE, the equity shares of MSL were frequently traded on the BSE in terms of explanation (i) to Regulation 20(5) of the SEBI (SAST) Regulations, 1997 as on date of PA.

153. Offer price in terms of Regulation 20(4) for frequently traded shares:

The offer price of Rs. 70/- per equity share, had been determined as per Regulation 20(4) of the SEBI (SAST) Regulations, 1997 taking inter-alia into account the following factors:

The negotiated price to be paid by the Acquirer (PRPL) as per the BTA	Rs 70 per Equity Share
Highest price paid by the Acquirers / PACs for acquisitions including by way of allotment in a public or rights issue or preferential issue, if any, during the twenty-six weeks period prior to the date of PA.	Rs. 65.32 per Equity Share
Average of the weekly high and low of the closing prices of the equity shares of MSL as quoted on the BSE during the 26 weeks preceding the date of PA.	Rs. 48.43 per Equity Share
Average of the weekly high and low of prices of the equity shares of MSL as quoted on the BSE during the 2 weeks preceding the date of P.A.	Rs. 55.47 per Equity Share

The offer price of Rs. 70/- per share being highest of all the above parameters, is justified in terms of Regulation 20(4) applicable in respect of frequently traded shares. However, on October 31, 2011, Foresight Holdings (on behalf of Foresight Enterprises) had acquired 3,94,736 Equity Shares through preferential allotment at Rs. 76 per Equity Share and the Offer Price has been revised to Rs. 76 per Equity Share.

The Acquirers, PACs and the Manager to the Offer do not accept any responsibility for the accuracy or otherwise of such advice. The aforesaid

treatment of tax deduction at source may not necessarily be the treatment also for filing the return of income. The tax rate and other provisions may undergo changes.

192. The payment of consideration for accepted applications will be made by the Acquirers and PACs in cash either through National Electronic Clearing System, Direct credit, RTGS, NEFT, account payee cheques, drafts, warrants, etc. in accordance with the SEBI (SAST) Regulations, 1997, and the same will be in the name of the first named person in case of joint Shareholders. It is desirable that Shareholders provide bank details in the Form of Acceptance cum Acknowledgement, so that the payment of consideration can be made accordingly.
- National Electronic Clearing System - Payment would be done through National Electronic Clearing System (NECS) for shareholders having an account at such locations where such facility is available. This mode of payment would be subject to availability of complete Bank Account details including the MICR Code as appearing on a cheque leaf, from the depositories.

Wherever the shareholder has registered their nine digit MICR number and their bank account number while opening and operating the demat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of consideration will be made to the applicants through this method. The process flow in respect of consideration by way of NEFT is at an evolving stage and hence use of NEFT is subject to operational feasibility, cost and process efficiency.
 - For all other applicants, including those applicants whose payment consideration is not credited by NECS/ Direct credit due to technical errors or incomplete/incorrect bank account details, payment consideration will be dispatched through Speed Post/Registered Post. Such payment consideration will be made by cheques, pay orders or demand drafts payable at par at places where the address of the shareholder is registered.
