RISKS RELATING TO THE OFFER

The risk factors set forth below pertain to the underlying transaction, this Offer and association with the Acquirer and the PAC and are not in relation to the present or future business operations of the Target Company or other related matters. These are neither exhaustive nor intended to constitute a complete analysis of the risks involved in the participation by a Shareholder in this Offer, but are merely indicative. Shareholders are advised to consult their stockbrokers, investment consultants and/or tax advisors, for analyzing all the risks with respect to their participation in this Offer.

A. Risk relating to the underlying transaction

1. The underlying transactions contemplated in the Term Sheet, BTA and SSSA are subject to completion risks as would be applicable to similar transactions.

B. Risks relating to this Offer

1. To the best of the knowledge of the Acquirer and the PAC, other than CCI approval for the Proposed Transactions, no other statutory approvals are required by the Acquirer and/or the PAC to complete this Offer. The purchase of the F&M Business from the Acquirer and allotment of 6,73,07,692 Equity Shares by the Target Company to the Acquirer, for the transfer of F&M Business, requires approval of the CCI. Since the proposed allotment of (i) 2,30,76,923 Equity Shares to the Acquirer for cash, (ii) 2,30,76,923 Equity Shares to PAC 4 for cash, and (iii) this Offer (by the Acquirer along with the PAC), are part of one composite combination / transaction, prior approval of CCI would also be required for the same. Therefore, the Offer is subject to receipt of the approval of the CCI under the provisions of the Competition Act, 2002 (as amended) and applicable regulations. Application for CCI approval has been filed with Competition Commission of India on August 1, 2014. As on date of this LOF, the CCI approval is currently awaited.
2. Furthermore, in case of any additional statutory approvals being required by the Acquirer and/or the PAC at a later date, this Offer shall be subject to such approvals and the Acquirer and/or the PAC shall make the necessary applications for such approvals. In case of delay in receipt of any such statutory approvals, as per Regulation 18(11) of the Regulations, SEBI may, if satisfied that non-receipt of such approvals was not attributable to any willful default, failure or neglect on the part of the Acquirer and/or the PAC to diligently pursue such approvals, grant an extension of time for the purpose of completion of this Offer, subject to the Acquirer and the PAC agreeing to pay interest to the Shareholders for delay beyond 10 Working Days, at such rate as may be specified by SEBI. Furthermore, in case of delay in receipt of any such statutory approvals, this Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. Consequently, the payment of consideration to the Shareholders whose Equity Shares are validly accepted in this Offer, as well as the return of Equity Shares not validly accepted in this Offer, may be delayed. Where the statutory approvals extend to some but not all the Shareholders, the Acquirer and the PAC will have the option to make payment of the consideration to such Shareholders in respect of whom no statutory approvals are required in order to complete this Offer.
3. NRI and OCB holders of the Equity Shares must obtain all approvals, including without limitation the approval from the RBI, required to tender the Equity Shares held by them in this Offer and submit such approvals along with the Form of Acceptance and other documents required under this Offer. In the event such approvals are not submitted, the Acquirer and PAC reserve the right to reject such Equity Shares tendered in this Offer.
4. In the event that either: (a) CCI approval for the Proposed Transactions is not received in time, (b) there is any litigation leading to a stay or injunction on the Offer or that restricts or restrains the Acquirer or PAC from performing its obligations hereunder, or (c) SEBI instructs the Acquirer or PAC not to proceed with the Offer, then the Offer process may not proceed or may be delayed beyond the schedule of activities indicated in this LOF. Consequently, in the event of any delay, the payment of consideration to the Shareholders whose Equity Shares are accepted under the Offer as well as the return of Equity Shares not accepted under the Offer by the Acquirer or PAC may be delayed.
5. The tendered Equity Shares will lie to the credit of a designated escrow depository account and documents will be held by the Registrar to the Offer until the process of acceptance of Equity Shares and the payment of consideration to the Shareholders is completed. During such period, there may be fluctuations in the market price of the Equity Shares and the Shareholders will not be able to trade in such Equity Shares which are in the custody of the Registrar to the Offer thereby restricting the ability of such Shareholders to take advantage of any favourable price movements. Neither the Acquirer nor the PAC make any assurance with respect to the market price of the Equity Shares during or after the period that the Offer is open or upon completion of the Offer and disclaim any responsibility with respect to any decision by the Shareholders on whether or not to participate in the Offer.

6. The Acquirer, the PAC and the Manager to the Offer accept no responsibility for the statements made otherwise than in this LOF or the PA or the DPS or in the post issue advertisement or any corrigendum issued and anyone placing reliance on any other source of information would be doing so at his/her/its own risk.
7. In the event of oversubscription in the Offer, the acceptance will be proportionate in accordance with the Regulations in consultation with the Manager to the Offer in a fair and equitable manner and hence, there is no certainty that all the Equity Shares tendered by the Shareholders in this Offer will be accepted.
8. The Shareholders who have lodged their acceptance to this Offer are not entitled to withdraw such acceptance during the Tendering Period, even if the acceptance of the Equity Shares in this Offer and dispatch of consideration are delayed.
9. This LOF has not been filed, registered or approved in any jurisdiction outside India. The recipients of this LOF resident in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. The Offer is not directed towards any person or entity in any jurisdiction or country where the Offer would be contrary to the applicable laws or regulations or would subject the Acquirer, the PAC or the Manager to the Offer to any new or additional registration requirements.
10. The Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers, and the appropriate course of action that they should take. The Acquirer and PAC do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this LOF.

C. Risks relating to Acquirer and the PAC

1. There is no assurance with respect to the continuation of the past trend in the financial performance of the Target Company.
2. The Acquirer and PAC make no assurance with respect to the future financial performance of the Target Company.
3. The Acquirer and the PAC make no assurances with respect to their investment/divestment decisions relating to their shareholding in the Target Company.
4. The Acquirer and PAC cannot provide any assurance with respect to the market price of the Equity Shares before, during or after the Offer and each of them expressly disclaims any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by any Shareholder on whether to participate or not to participate in the Offer.
5. As per Clause 40A of the Listing Agreement with the Stock Exchanges, read with Rule 19A of the Securities Contract (Regulation) Rules, 1957 (as amended) (the “**SCRR**”), the Target Company is required to maintain at least 25% (twenty five per cent) public shareholding, as determined in accordance with the SCRR, on a continuous basis for listing. If, as a result of the Equity Shares acquired under the Offer, the Term Sheet, BTA, SSSA and purchase of Equity Shares, if any, during the Offer Period, the public shareholding in the Target Company falls below the minimum level required as per the Listing Agreement read with Rule 19A of the SCRR, the Acquirer and the PAC hereby undertake that the promoter shareholding in the Target Company will be reduced, within the time period specified in the SCRR, such that the Target Company complies with the required minimum level of public shareholding. Any failure to comply with the conditions of the SCRR and the Listing Agreement could have an adverse effect on the price and tradability of the Equity Shares.

5. OFFER PRICE AND FINANCIAL ARRANGEMENTS

5.1 Justification of Offer Price

5.1.1 The Equity Shares (ISIN: INE367G01038) are listed on the BSE (Scrip code: 532748; Scrip ID PFOCUS) and the NSE (Scrip code: PFOCUS). In terms of Regulation 2(1)(j) of the Regulations, the Equity Shares have been frequently traded on both BSE and NSE and is most frequently traded on the NSE during the preceding 12 calendar months prior to the calendar month in which the PA was made.

5.1.2 The annualised trading turnover of the Equity Shares during July 1, 2013 to June 30, 2014 (12 calendar months preceding the month in which the PA is issued) on the NSE and BSE, where the Equity Shares are listed, is as follows:

Name of the stock exchange	Total number of Equity Shares traded during July 1, 2013 to June 30, 2014	Total number of listed Equity Shares	Trading turnover (% to total listed Equity Shares)
BSE	4,70,96,351	18,54,17,436	25.40
NSE	12,78,19,275	18,54,17,436	68.94

(Source: Daily trading data from www.nseindia.com, www.bseindia.com)

5.1.3 In terms of Regulation 2(1)(j) of the Regulations, the Equity Shares have been most frequently traded on the NSE and in accordance with Regulation 8(2) of the Regulations, the Offer Price has been determined taking into account the following parameters:

(a)	The highest negotiated price per Equity Share of the Target Company for acquisition under an agreement attracting the obligation to make PA of an open offer.	Rs. 52.00
(b)	The volume weighted average price paid or payable for acquisitions, whether by the Acquirer or by any PAC during the 52 weeks immediately preceding the date of the PA.	Nil*
(c)	The highest price paid or payable for an acquisition whether by the Acquirer or by any PAC, during the 26 weeks immediately preceding the date of the PA.	Nil
(d)	The volume-weighted average market price of Equity Shares for a period of 60 trading days immediately preceding the date of the PA as traded on the NSE, being the stock exchange where the maximum volume of trading in the Equity Shares was recorded during such period.	Rs. 42.05

*Only the volume weighted price paid by the Acquirer / PAC 1 during the 52 weeks immediately preceding the PA is applicable; In accordance with the ruling of the Hon'ble Supreme Court of India in *Daiichi Sankyo Company Limited versus Jayaram Chigurupati & Ors.*, the volume weighted average price paid by the PAC 2, PAC 3, or PAC 4 during the 52 weeks immediately preceding the PA, which works to Rs. 30.83 per Equity Share has not been considered, since the Reliance Group and the PAC 2, PAC 3, and PAC 4 were not acting in concert at that point of time. Further, even if the volume weighted average of both groups were to be considered, the same would have been Rs. 30.83 per Equity Share which is lesser than the Offer Price of Rs. 52 per Equity Share.

(Source: Certified by Mr. Sandeep Shah, Membership no 123076, partner of Sandeep S. Shah & Associates, Chartered Accountants vide letter dated July 2, 2014)

Therefore, in accordance with Regulation 8(2) of the Regulations the Offer Price of Rs. 52 per Equity Share is justified.
